Roll up

One roll-up will be designed by AVEBIOM with the information of all partners in order to give visibility to the project in the events.

After its design it will be distributed by AVEBIOM to the rest of the partners in order to translate it and print it.

It will be ready by month 8

HISTORICAL OF THE ROLL UP

- By August 2016, a first version of roll up has been designed with the first information of the project in order to spread it in the events organised by the consortium.
- The master file is in English and will be translated in all the languages of the consortium.

The graphic features a background of wood logs and a geometric pattern of triangles in shades of teal and grey. The BIOMA sudplus logo is in the top right corner. The main title is centered in white text on a dark teal background. Below the title is a green box with white text describing the project's objective. At the bottom, a dark teal box contains project details. A 'PARTNERS' section lists various organizations with their logos.
